

FAQ: What you need to know

The Traveling Mixtress provides all the alcohol, non alcoholic beverages, staff, disposable drinkware and paper goods

Noble Fare's professional staff will arrive in uniform. Formal attire is pressed black pants, black collared dress shirt. Casual attire is black or blue jeans with Noble Fare's Traveling Mixtress custom shirt. We are happy to arrive in a uniform selected to complement the venue or event.

Service staff will arrive 1.5 - 2 hours in advance. Time depends on package, venue and set up requirements.

For our beer & wine and mocktail packages we recommend one bartender for every 50-75 guests. For full bar and specialty packages we will recommend an appropriate number of service staff based on venue and location. This also applies if your event requires hand passed drinks, multiple bar locations, or action stations.

We understand that your event may run longer than your contracted time. A fee is charged per person for each additional 30 minutes. This fee varies depending on the bar package you have selected.

By law, Noble Fare is not allowed to leave behind any alcohol. Since we can't leave any alcohol behind, we guarantee to never run out at your event.

We are fully insured with liquor, general liability and a workers compensation policy. All events where we provide and serve alcohol are covered under this policy.

A 50% deposit is required to book your event. Deposits are refundable up to 30 days prior to the event date. If you cancel your event 7-29 days out you will lose your 50% deposit. A final headcount is due 7 days prior to the event. If the event is cancelled within 7 days of the event date you will be responsible for the entire contracted amount.

Add on guests may be subject to additional costs. All packages are subject to state and local tax.

Noble Fare's Traveling Mixtress does not do cash bar for private functions.

In the event that your event must be cancelled due to an Act of God (*hurricanes, tornadoes, earthquakes, flooding, snow storms*) the initial deposit is nonrefundable but may be applied to a future event.

It is our policy to never display tip jars or include gratuity in our contract or packages. Gratuity is not necessary but is always appreciated. If you would like to tip the bartenders we can add the gratuity to your final invoice or you can give cash tips at the end of an event.

Noble Fare offers professional serving staff and bartenders for hire.
